

Mission President - Ned L. Mangelson

# Austria Vienna Mission Reunion

**June 20, 2009**  
**Sugarhouse Park– Central Pavilion**  
**Salt Lake City, UT**

**10 Year  
Reunion**

**5:00pm pm till dark**  
**Dinner at 6:00pm**

**\$3.00 per Person**

**Mission Reunion Temple**  
**Night Friday June 19, 2009**

The time has finally arrived! We thank you all for your patience as we have put the final details together for our 10 year reunion. We are all very excited to see you all and are thankful for all who have planned to attend, especially those who will be traveling from long distances. We can hardly believe how fast the time has gone and look forward to being able to renew our friendships with one another.

In light of the fact that many will be traveling from out of town to attend, we have decided to go ahead and provide dinner and request a \$3 donation per person to help

cover costs. To help get a more accurate count for dinner we are asking that those who will be attending send an RSVP to Dorothy Draper and give her a count of how many in your family plan on attending. (contact information listed to the right).

We have plenty of activities planned to keep everyone involved (especially the kids, so that the adults can catch up). Plenty of "Risiko", "Mensch ärgert mich nicht",

**Come help us record our collective mission memories.**

and "UNO" battles to be had. Feel free to bring your other favorite games as well.

Can't wait to see you all there!

Some individuals have expressed an interest in attending an endowment session at the Salt Lake Temple together and to meet for dinner in the Temple cafeteria. Although we will not be officially sponsoring that dinner, we recommend that those who desire to meet for dinner plan on doing so between 5:30 pm and 6:30 pm. This timing would accommodate attendance at the 7:00 pm sessions. The last session is at 8:00pm.

## Mission Scrapbook

We would like to create a collective scrapbook at the reunion that documents our collective experiences while serving in the beautiful country of Austria. In order to complete this we will need the help of all former missionaries who served under President Mangelson. We would like to organize the book geographically (as opposed to by individual missionaries), and we would like to include as many missionaries as possible (all of you actually).

What we would like is a copy of your 4 best Austria photos (at least one of which is a visible and identifiable picture of yourself). In addition to the photo we will need your name, city you were stationed in at the time the photo was taken, and the location or area of the photo (if different). Please also identify others in the photo (if any), and if desired include a brief statement about your memories of that area, the people you met, or other sentiments you may wish to share.

For all of you scrapbooking junkies out there, feel free to bring any paper, stamps, pens, markers, etc. to the reunion to assist in the completion of the book. (12 x 12 finished sheets)

If you will not be attending we would still love to include you. You can send photos and information to:

**Todd and Dorothy Draper**  
**1316 South 200 East**  
**Salt Lake City UT 84115**

If you have digital photos or information you wish to send you can e-mail them to Dorothy and we will take care of getting them printed and in the book.

We plan on leaving the finished book in the care of the Mangelson's so they and their guests may share in these memories. If circumstances allow, we may digitize the finished book to share with all.
